Utah Friends of Basset Hounds (UFBH) is desperately looking for foster and adoptive families who can provide homes and love to our homeless bassets. These bassets make wonderful and gentle companions. Sadly, there are more homeless basset hounds than there are foster and adoptive homes. UFBH is working to put an end to that and you can help. Please contact us to find out how you can foster or adopt a basset hound. Open your heart and home to a homeless hound.
